

AFFIDAVIT OF ML

I, ML, swear that the following is true to the best of my knowledge and recollection:

1. I am a student at Amherst College, Class of 2015.
2. I am submitting this statement in support of John Doe, a former student of Amherst College.
3. I met Sandra Jones in late January 2012.
4. In the early morning of February 5, 2012, after exchanging a series of flirtatious text messages, at approximately 1:15 a.m., Ms. Jones invited me to her dormitory room on the third floor of the Morrison Pratt dormitory.
5. My text message exchange with Ms. Jones is attached as Exhibit 1.
6. I arrived at Ms. Jones' room at approximately 2:45 a.m.
7. When I arrived, Ms. Jones did not appear in any distress. To the contrary, she was friendly, flirtatious, and spirited.
8. Ms. Jones and I socialized and flirted, and, several hours after I had arrived at her dormitory, we had consensual sexual relations.
9. At no point during this period of time did Ms. Jones appear anxious, stressed, depressed, or otherwise in distress.

Don't even know where the zu is.

It's kind of by Pratt field? Anyway there's supposed to be a good party there tonight

Meh, I'm not really one for partying, if you noticed yesterday. Plus I won't have time for homework tomorrow, so I better do it tonight.
